Prepare IV-E information for referrals and provide information to IV-E staff. Follow up on information requests sent to Law Enforcement Officer (LEO), medical providers, and schools. Transport and tracks the disposition of reports and journal entry court documents within the community from police, schools, courts, and medical providers. Prepares correspondence to request information, schedule appointments, and sends required forms to families. Prepares client service agreements. Creates or assists social workers in making and/or correcting face sheets (PPS 1000) as needed and assures the information in FACTS data base matches. Completes form 3465 for youth receiving Independence Living. Monitors intakes received from Protection and Reporting Center (PRC) to assure all intakes are assigned for assessment. Assist with intake assignment roster. Maintains monthly unit tracking for assigned intakes. Assists with preliminary inquiries as needed. Completes case counts in accordance with unit supervisor's instructions. Perform history checks for all adults for each assigned intake, includes CANIS, Kansas and National Sex Offender websites, Dept. of Corrections website, local court databases, FACTS, KAECSES. Assist supervisor in monitoring time and leave (PM6607s). Case file management: creating, filing, pulling, organizing case files as well as identifying and destroying old files per established policy.</p>

2- E - 30%

Economic and Employment Services (EES): Supports EES program by receiving initial applications from eligibility workers/mail, registering the application which involves inquiry of customer information in agency computer systems, saving existing or creating new customer information and case number information as necessary. This process includes data entry, cross- matching names, social security numbers and addresses, and pulling old or creating new case file(s). Processes incoming and outgoing EES related mail. This would include: matching incoming mail items to the case file, entering on the appropriate tracker system, and placing the file in the correct staging area. Pulls, delivers, and re-files case files for workers meeting clients in the lobby. Pulls and mails case files for review or ICT (e.g. Quality Assurance Medical, Temporary Aid to Families Sample, etc.) and is also the contact for the return of the above files. Prints and distributes reports as directed. Uses the tracker reports to reconcile staging areas. Prepares redetermination forms by using the mail merge database and mails appropriate documentation per federal/local policies. Uses the EBT system to assist customers needing to access benefits, set password, or entering alternate payee information per state and local policies. Communicates with customers, employers, providers by telephone and in person to disseminate or receive information needed to determine/re-determine eligibility for programs. Responds to internal and external customers' request for information such as answering general program questions, receiving change information, and requesting appropriate verifications.

Performs receptionist duties for the office as part of team rotations, enter appropriate information onto the lobby tracker and inform customer of the next step. Answers and transfers telephone calls using multiline telephone system. Determines the customer's needs and refers to appropriate person for assistance, or takes the necessary information to make an appropriate referral for the customer. Maintains strict confidentiality. Attends unit meetings/ huddles, taking and distributing notes from those meetings. Assists with file maintenance; identifying and destroying old files and materials according to agency policy in compliance with HIPPA regulations

3 - E - 20%

Rehabilitation Services (RS): Register and track new customers. Enter new RS applications into KMIS computer system. Access client process menu, choosing client application/create new application. Enters data on screen, searches all information available to determine appropriate entry when edit does not match specifics on screen requirements, and searches for other program involvement. Set up new case files. Send out initial contact letter with appointment and releases/W-9 to client. Create narrative sheet noting guardian name and address (if applicable) and if so, obtain signatures on all appropriate forms and correspondence relating to the customer. Make sure authorization to release information forms are in order, if not, obtain same. Send out to medical facilities/agencies to request records with mental health/medical questionnaires to support disability. Call to set up examinations, assessments with doctors' offices/agencies and send letter to client with all pertinent information. May be necessary to hand deliver referrals and service authorizations to providers and pick up reports and other documentation. Process service authorizations/payments. Set up RS application packets. File documents as needed.

4 - E - 10%
